CMPS 310 Software Engineering
- **Group Project** -
Milestone-3: Project Management (5%)

This is a compulsory project. If you do not submit this, your grade will be 0 in this course.

Blackboard Submission Due: Midnight December 7, 2024

Fall 2024

Mr. Khalil has requested that you submit a project plan that includes a Gantt chart and a dependency graph. Additionally, you are required to implement **at least** two design patterns in your project.

The current document contains the following items:

- (1) Your tasks.
- (2) Submission requirements.

Your Tasks:

The primary focus of Milestone-3 is on **project management aspects** of the software engineering process, as well as the implementation of **design patterns**. Your submission for Milestone-3 should include the following deliverables:

- 1) Design Patterns Implementation
 - Apply **at least two design patterns** in your project.
 - Provide a justification for why and how you selected these design patterns.
 - Submit the Java code that demonstrates their application.
- 2) Project Management Deliverables (using MS project or similar tools)
 - a. A **Gantt chart** with defined tasks, milestones and associated dates/durations relevant to the project and process.
 - b. A **Dependency graph** with defined tasks, milestones, durations, dates if applicable, and task dependencies. Show the critical path.
- 3) Individual Reflection Report

Prepare **an individual summary report (reflection)** that includes your experience, challenges you encountered, key learnings and insights gained during the project, discussion of professional and ethical issues in software engineering related to the project, evaluation of team effectiveness and suggestions for future improvements, among other relevant points.

Each individual student will write his/her own reflection in the report.

Grading Scheme for Milestone-3

Deliverables	Grading %
1) Design Patterns	40%
2) Gantt Chart and Dependency graph	40%
3) Individual summary report (Reflection)	20%
Total	100%

Submission Requirements

Your assignment group/team MUST comply with the following submission requirements:

1. Make sure that the entire team member submits the electronic copy individually on Blackboard.
2. The cover page must contain the following items with five bullets:

[Each member of the group will be required to submit a peer group evaluation with an estimate of the contribution from each member to the project. Write the percentage contribution made by each team member so that it adds up to 100%. This evaluation *may* be used to adjust the marks awarded to each team member]
